# IT ADMIN

Looking for a new challenge in a great team and an exciting industry? We are looking for a team player that can help us grow our company and product line even further.

As our IT Administrator, you will be responsible for **maintaining the company's IT network, servers and internal applications.**

In addition, you will manage the employee laptops and might be called upon to help your colleagues with more basic IT needs.

## YOU ARE

- Passionate about IT, networks & servers
- A Bachelor in Informatics or equivalent through experience
- Experienced in installing and maintaining hardware and software

## WE OFFER

We offer you a great place to work, a challenging environment and ample responsibility to work independently on the company IT topics. In addition, a competitive salary package is coming your way, including meal checks, group insurance, hospitalisation insurance and a laptop

... and you'll be part of changing the way aviation works!
